

**Steal My Kisses**

**Ben Harper & The Innocent Criminals**

Steal My Kisses by Ben Harper  
album: Burn to shine

This is a further correction. First of all, the album version is in G, not A. Secondly, I originally thought it was G,C,D (or A,D,E) but further listening showed that the 2nd and 3rd chords are minor. He definitely includes a slide up from Bb but you should listen to the record. He mixes it up sometimes using 1 or 2 strings. It s a little hard to hear exactly. Also, some of the words in the previous chart were wrong.

Now I love to feel that warm southern rain  
Just to hear it fall it the sweetest soundin thing  
and to see it fall on your simple country dress

it s like heaven to me I must confess

cause I always have to steal my kisses from you  
always have to steal my kisses from you  
always have to steal my kisses from you  
I always have to steal my kisses from you

Now I ve been hanging round you for days  
but when I lean in you just turn your head away  
ohh no you didn t mean that  
she said I love the way you think, but I hate the way you act

Cause I always have to steal my kisses from you  
always have to steal my kisses from you x2 (1st time is acapella)  
always to steal my kisses from you  
I always have to steal my kisses from you
