

Another Lonely Day

Ben Harper

This is an improved version of the tab already existing at OLGA
The first version was written from,
Who I thank for the words I've duplicated the words from him.

The differences are important :

- 1 - I've tried to respect the exact rhythm for the song.
- 2 - This version is more difficult because there are more chords and variations between transitions in the song.
- 3 - The result is a richer sound much closer to the original.
- 4 - For absolute beginners I suggest the other version, which is very pleasant to play also.

This is typically the song for acoustic guitar players to play around a warm fire, in the wilderness with the stars above...
Ben Harper plays this song one step down (D,F,A,C,G,D), but it works perfectly with the usual tuning.
The Rhythm is very important to respect on that song.
Work the song at slow tempo at first !

Words:

[Verse]

C Am Em G
 Yes indeed I m alone again
C Am Em G
 and here comes emptiness crashing in
C Am
 it s either love or hate
Em G
 I can t find in between
C Am
 cause I ve been with witches
Em G
 and I have been with a queen

[Chorus]

F Am G
 It wouldn t have worked out any way
G F Am G
 so now it s just another lonely day
F Am G
 further along we just may

G **F** **Am** **G**
but for now it s just another lonely day

[Verse]

C **Am** **Em** **G**
Wish there was something I could say or do
C **Am** **Em** **G**
I can resist anything but the temptation from you
C **Am** **Em** **G**
but I d rather walk alone then chase you around
C **Am** **Em** **G**
I d rather fall myself then let you drag me on down

[Chorus]

F **Am** **G**
It wouldn t have worked out any way
G **F** **Am** **G**
so now it s just another lonely day
F **Am** **G**
further along we just may
G **F** **Am** **G**
but for now it s just another lonely day

[Verse]

C **Am** **Em** **G**
Yesterday seems like a life ago
C **Am**
cause the one I love
Em **G**
today I hardly know
C **Am** **Em** **G**
you I held so close in my heart oh dear
C **Am** **Em** **G**
grow further from me with every fallen tear

[Chorus]

F **Am** **G**
It wouldn t have worked out any way
G **F** **Am** **G**
so now it s just another lonely day
F **Am** **G**
further along we just may
G **F** **Am** **G**
but for now it s just another lonely day
G **F** **Am** **G**
for now it s just another lonely day
G **F** **Am** **G**
for now it s just another lonely day

It s quite hard to sing along when playing at the right rythm
but if you manage it, you ll be rewarded for your efforts !

Good luck and enjoy
