[RIFF 1]

They ll look you in the eyesstone you,  
then turndisown you.  
Don t you let em take the fight outta you.

[RIFF 1]

They ll walk all over your name  
till they find someone else to blame.  
Don t let it take the fight outta you.

[RIFF 1]

Secrets hide their lies  
inside hidden allibies.  
Don t let it take the fight outta you.

[RIFF 1]

They put the world on a hook,  
it s worse every time I look.  
Don t let em take the fight outta you.

[RIFF 2]

**D** **Bm**

I would rather take your punch  
**F#**  
than not give you a shot.

**D** **Bm**

I d rather find out who you are  
**F#**  
than who you re not.

D Bm F#  
Should ve known better than to mistake business for love.

D Bm F# E  
Should ve known better than to mistake a fist for love.

[RIFF 1]  
It will be in your on until you re not  
needed any longer.  
Don t let it take the fight outta you.

[RIFF 1]  
Don t believe the headlines,  
check for yourself sometimes.  
Don t let it take the fight outta you.

[RIFF 1]  
The lies you live become you,  
the love you lose, it numbs you.  
Don t let it take the fight outta you.

[RIFF 1]  
You say that you ve arrived,  
that s just a high class bribe.  
Don t let it take the fight outta you.

[RIFF 2]  
D Bm  
I would rather take your punch  
F#  
than not give you a shot.  
D Bm

than who you re not.

D Bm F#  
Should ve known better than to mistake business for love.  
D Bm F# E  
Should ve known better than to mistake a fist for love.

[RIFF 1]  
There s always someone younger,  
Someone with more hunger.  
Don t let it take the fight outta you.

[RIFF 1]  
They ll say you re oneonly  
They ll straight up leave you lonely.  
Don t let it take the fight outta you.

[RIFF 1]  
Like a transplant patient  
waiting for a donor.  
Don t let it take the fight outta you.

[RIFF 1]

Like a half empty balloon

after a party in the corner.

Don t let it take the fight outta you.
