Have you ever lost your way
have you ever feared another day
have you ever misplaced your mind
watching this world leave you behind

won t you
won t you give
won t you give a man
give a man a home

have you ever worn thin
have you ever never known where to begin
have you ever lost your belief
watching your faith turn to grief

won t you
won t you give
won t you give a man
give a man a home

in a world that is unwhole
you have got to fight to keep your soul
some would rather give than receive
some would rather give up before they believe

won t you
won t you give
won t you give a man
give a man a home
