Ben Harper s Glory and Consequence from The Will to Live

This song is tabbed out for a guiter tuned to E (EADGB_e),
but Ben tunes his guitars down to D(DGCF_Ad) and then plays this
tune a tone higher, i.e A, but you can still play along
as if the tune was in G.

Riff 1

Clean

F	C	G
e---1-----3-----3-----3		
B---1-----5-----3-----3		
G---2-----0h2p0-----5-----0h2p0-----4-----0h2p0-----4		
D---3--0--2-----3p2p0---5--0--2-----3p2p0--5--0--2-----3p2p0--5		
A---3-----3-----5-----5		
E---1-----3-----3-----3		

This is both the intro riff and the chorus riff, and the chord
structure also does for the solo.

the verse riff goes like this

C	F	G
e---3-----1-----		
B---5-----1-----		
G---5-----2-----		
D---5-----3-----5-----		
A---3-----3-----5-----1--1--		
E-----1-----3--1--3--1--3--1--3--1-----		

there are two guitars playing at this point, with the acoustic playing
the above riff, and an electric just playing the chords.

Lyrics:

C	F	G	C	F	G
i	m	more	afraid	of	living
than	i	am	scared	to	die
C	F	G	C	F	G
im	more	afraid	of	falling	than
i	am	of	flying	high	

F **C** **G** **F** **C** **G**
every moral has a story and every story has an end
F **C** **G** **F** **C** **G**
every battle has its glory and its consequence

(repeat the above pattern)
im more afraid of loving than i am of being scorned
but i will keep on trying though i have been forewarned

every moral has a story and every story has an end
every battle has its glory and its consequence

i would rather be lonely and you have someone to hold
im not as scared of dying as i am of growing old

every moral has a story and every story has an end
every battle has its glory and its consequence

Maybe ill get around to tabbing the solo a bit later. till then
