Love,

Bm A G

I get so lost, sometimes

Bm A D9 D D4 D Bm A G

Days pass and this emptiness fills my heart

Bm A D9 D D4 D

When I want to run away

Bm A G

I drive off in my car

Bm A D9 D D4 D

But whichever way I choose

Bm A G

I come back to the place you are

A G

And all my instincts, they return

A G

And the grand facade, so soon will burn

A G

Without a noise, without my pride

A G

I reach out from the inside

E

In your eyes

D9 D D4 D

The light, the heat

E

I am complete

D9 D D4 D

I see the doorway

E

to a thousand churches

D9 D D4 D E

The resolution of all the fruitless searches

D9 D D4 D E

Oh, I see the light and the heat

D9 D D4 D E

Yes, I want to be that complete

D9 D D4

I want to touch the light

D E

The heat I see in your eyes

Bm A D9 D D4 D

Love,

Bm A G

I don't like to see so much pain

Bm A D9 D D4 D

So much wasted

Bm A G

and each moment is slipping away

Bm A D9 D D4 D

I get so tired,

Bm A G

working so hard for our survival

Bm A D9 D D4 D

I look to these times with you,

Bm A G

to keep me awake and alive

A G

And all my instincts, they return

And the grand facade, so soon will burn

Without a noise, without my pride
