

Morning Yearning

Ben Harper

Intro: [Am] [G] [Dm] [F] x2

[Am]A finger s touch [G]upon my lips
It s a [Dm]morning yearning, it s a [F]morning yearning
[Am]Pull the curtains shut, try to [G]keep it dark
But the [Dm]sun is burning, the [F]sun is burning

The world awakens on the run
And will soon be earning, soon be earning
With hopes of better days to come
It s a morning yearning, a morning yearning

...morning yearning

Another day, another chance to get it right
Must I still be learning, must I still be learning
Baby crying kept us up all night
With her morning yearning, with her morning yearning

...morning yearning

Bridge: [C] [Bb] [Am] [G] x2

Like a summer rose, I m a victim of the fall
But I m soon returning, I m soon returning
Your love s the warmest place the sun ever shines
My morning yearning, my morning yearning
