

**My Mother Pray**  
**Ben Harper**

If I Could Hear My Mother Pray Again  
Recorded by George Jones  
Written by James Rowe and James W. Vaughn

**G** **C** **G**  
How sweet and happy seemed those days of which I dream  
**A7** **D7**  
When memory recalls them now and then  
**G** **C** **G**  
And with what rapture sweet my weary heart would beat  
**D7** **G**  
If I could hear my mother pray again

**C** **G**  
She used to pray that I on Jesus would rely  
**A7** **D7**  
And always walk the shining gospel way  
**G** **C** **G**  
So trusting in His love I ll seek that home above  
**D7** **G**  
For I shall meet my mother some glad day

**C** **G**  
If I could hear my mother pray again  
**A7** **D7**  
If I could hear her tender voice as then  
**#G** **C** **G**  
How happy I would be with who means so much to me  
**D7** **G**  
If I could hear my mother pray again

**C** **G**  
Within the old home place her patient smiling face  
**A7** **D7**  
Was always spreading comfort hope and cheer  
**G** **C** **G**  
And when she used to sing to her Eternal King  
**D7** **G**  
It was the songs the angels loved to hear

**C** **G**  
Her work on earth is done the life crown has been won  
**A7** **D7**  
And she will be at rest with Him above  
**G** **C** **G**  
And some glad morning she I know will welcome me  
**D7** **G**

To that eternal home of peace and love
