

Waiting For You

Ben Harper

G **Em**
I ve been waiting for you (2x)
F **C**
Never found anything else to do
G
But waiting for you

G **Em**
I ve been calling your name (2x)
F **C**
Never found anything else the same
G
Nothing s the same

D
You can kill a lot of time
C **G**
If you really put your mind to it
D
Or leave it all behind
C **G**
And never go through it

G **Em**
I keep hearing your name
F **C**
Nothing else sounds the same
G
As hearing your name

D
You can kill a lot of time
C **G**
If you really put your mind to it
D
Or leave it all behind
C **G**
And never go through it

G **Em**
I ve been hoping for you
F **C**
What else can i do
G
But keep hoping for you

D

You can kill a lot of time

C **G**

If you really put your mind to it

D

Or leave it all behind

C **G**

And never go through it

D **C**

What else can i do

G

Keep waiting for you
