Widow of a living man
Ben Harper
from The Will to Live

Full credit to you if you know of and appreciate this awesome musician.

The song is played on an acoustic tuned to D(DACFAd), but I will write the chords in as they are played, so if you are playing on a guitar tuned to E, Aminor becomes Gminor and so on.

Intro:
I think the chord is called Am2 - x02200

Verse:
 Am C G D
Mama why does he treat me so cold so cold so cold
Am C G D
Why do I feel so old so old so old
 Am C G D
how long has he treated me unkind unkind unkind
 Am C G D
or have I always been so blind so blind so blind

Chorus:
 Am F G Am G
I m the widow, I m the widow, I m the widow of a living man
 Am G Am G F G Am2 --> see above
of a living man of a living man

For subsequent verses and choruses, repeat the above pattern.

Verse:
Why can t the times stay the same
now i am begging him to change

what about all the plans we ve made
now i am so afraid

Chorus:

I m the widow of a living man

Verse:

why does he hurt me so
I m gonna need somplace to go
he s no longer some kind woman s son
mama i think that I had better run

Chorus:

I m the widow of a living man
