

Call Me Maybe

Ben Howard

A slight amendment on the previous Tab. This is from the Radio 1 Live Lounge. A very nice version of the song. Listen and you will get the idea. Actually sounds very nice on my bass. You will soon get the idea of the tone needed.

Enjoy.

[Verse 1]

Em

I threw a wish in the well,
Don't ask me, I'll never tell

D

I looked to you as it fell,
and now you're in my way

Em

I trade my soul for a wish,
pennies and dimes for a kiss

D

I wasn't looking for this,
but now you're in my way

[Chorus]

C

D

Hey, I just met you,

C

and this is crazy,

D

but here's my number,

C

so call me, maybe?

D

It's hard to look right,

C

at you baby,

D

but here's my number,

C

so call me, maybe?

[Verse 2]

Em

You took your time with the call,

D

I took no time with the fall

You gave me nothing at all,

Em

but still, you re in my way

I beg, and borrow and steal

D

At first sight and it s real

I didn t know I would feel it,

Em

but it s in my way

[Bridge 1]

Em

Your stare was holdin , Ripped jeans, skin was showin

D

Hot night, wind was blowin

Where you think you re going, baby?

Em

Your stare was holdin , Ripped jeans, skin was showin

D

Hot night, wind was blowin

Where you think you re going, baby?

[Chorus]

C **D**

Hey, I just met you,

C

and this is crazy,

D

C
