

Come On
Ben Jelen

I m not sure of the chords, but try to play it. I think its sounds right.

A **E**
And finally the silence
A **D** **A**
Looking out, looking back across the sky
A **E**
Trying to find a meaning
A **D** **A**
Knowing that I just left it all behind
A **E**
Still I smell a lingering softness
A
Where did she go
D
How did she go

I wanna wanna know
A **E** **A** **D**
I wanna know that she ll be coming here to me

CHORUS:

F#m D
Come on
A **E**
Without you I ll never feel the love inside of me
F#m D A E
Come on, you know that we belong
F#m D A E
Come on, come on, come on, come on

F#m D A E

A **E**
Thinking back before her
A **D**
I never knew the meaning of alone
A **E**
Still the flag is feeling foreign
A **D** **A**
I live the day to escape into a phone
A **E**
Speaking of a world not real then
A
Where did she go
D

How did she go

I wanna wanna know

A **E** **A** **D**
I wanna know that she ll be coming here to me

REPEAT CHORUS

A **E** **D**
Cause she s sharp for kisses

A **E** **D**
And my heart misses

A **E**
She s coming

A **D** **A**
She s coming here to me

E **A**
I m needing

D **A** **E** **A**
Desiring to kiss her now

F#m
I m living for her

A
Breathing for her

D **E**
Singing for her fairytale

REPEAT CHORUS 2x
