Ben Kweller

Key : D

D **G**
Hello, sweet friend of mine
Em **Bm** **A**
I want to talk, see how you are
D **G**
What s new? Are you feelin fine?
Em **Bm** **A**
Do you like South Lake, do you work all the time?
D **G**
This whole month has been a waste
Em **Bm** **A**
And I got no taste for going out.
D **G**
Every since you left home I ve been shame faced
Em **Bm** **A**
But I d rather be erased than hold you down

Chorus:

Em **G** **G/F#** **G/B,** **Asus,** **D** **Dsus4** **D**
I never want to be the old hat you put on your pretty head x2

Now I know I talk to much
Worry about things that can t be controlled
And I can t decide, always up on the fence
And I don t make no sense, and baby, I know that gets old

Chorus

Instrumental (Chorus Chords)

My tornado, love, tore it all down
Now I am face down in all this muddy guilt
You know I wanna make you smile again
Warm your heart again like an old worn out quilt
Now listen: I ll be your glove, I ll be your scarf
I ll be the cross that covers your heart
But I don t want you to get tired of me honey, after such a good start

Chorus x2

Outro x2:

Em **G** **G/F#** **G/B** **Asus** **D** **Dsus4** **D**
Your pretty head, yeah, yeah, yeah, yeah yeah
