Gamble everything for love, gamble everything,  
put it in a place you keep what you need.  
you can gamble everything for love if your free,  
Ya gotta gamble everything for love.

Baby are ya cold, are ya cold, baby,  
I can wrap you up, wrap you up, in my love, if ya wanna,  
you can gamble everything for love,  
If ya wanna, you can gamble everything for love.

**C**  
Tell me are you feeling lost, have you crossed,

**F**  
Into places you never knew, to get through.

**C**  
Tell me are you gonna cry all night,

**F**  
Tell me the truth, and i ll tell you the truth.

**D** **F** **Am**  
If ya gamble everything for love, ya gonna be alright, alright.

Make a list of things you need, leave it empty,  
except for number one, write love, gamble everything,  
keep it under lock and key, if ya wanna,  
you can gamble everything for love.

Love me with an open heart, tell me anything,  
We can find a place to start, and gamble anything,  
We can set this thing apart, cos were gonna,  
Gonna gamble everything for love.

**C**  
Tell me do you lose your way each day,

**F**  
All the people you recognise do they lie,

**C**  
Tell me does it make you feel to real,
