My Guitar
Ben Lee

So simple guys! Just enjoy the cuteness. If you don t know the song, get it. It
s great.

```
          B                 G#              E            F#
Well I know it s real uncool to say
         B                        G#            E                   F#
You don t need an amp to blow me away
                          B                      G#        E          F#
Don t need to turn up, plug in, or go very far
         B           G#              E           F#
Just strum a chord on my guitar

          A
Well my guitar is love
        E
And my guitar s all I need
        A
And my guitar s so special
        F#                               N.D
Cause it plays the songs - not me
```
