

Everything Burns

Ben Moody

[Intro]

Am G Em F

[Verse]

Am **G** **Em** **F**
She sits in her corner, singing her self to sleep
Am **G** **Em** **F**
Wrapped in all of the promises that no one seems to keep
Am **G** **Em** **F**
She no longer cries to herself no tears left to wash away
Am **G** **Em** **F**
Just diaries of empty pages feelings gonna strafe

[Chorus]

F **E**
But she will sing
 Am **F**
Till everything burns till everyone screams
 Dm **G**
burning their lies burning my dreams
 Am **F**
all of this hate and all of this pain
 Dm **F**
burn it all down cause my anger raise till everything burns

[Interlude]

Am F Dm G Am F Dm G

[Verse]

Am **G** **Em** **F**
Walking through life for notice, knowing that no one cares
Am **G** **Em** **F**
Too consumed in their masquerade, no one sees her there

[Chorus]

F **E**
And still she sings
 Am **F**
Till everything burns till everyone screams
 Dm **G**
burning their lies burning my dreams
 Am **F**
all of this hate and all of this pain

Dm **G**
burn it all down cause my anger raise till everything burns

[Interlude]

Am F Dm G Am F Dm G

[Chorus]

Am **F**
Till everything burns till everyone screams
Dm **G**
burning their lies burning my dreams
Am **F**
all of this hate and all of this pain
Dm **G**
burn it all down cause my anger raise till everything burns

[Outro]
