

After All
Ben Rector

Original song is in the key of **F#**. you can capo 4 and play in **D**, or capo 2 play in **E**.

order is:V1.C.V2.C.B.C.

the verse chords hold for a half measure, the chorus chords hold for whole measure.

I realize these arent as pretty as what he does but you can make what you like from it.

Intro:Havnt got it completely down yet.

verse progressions: **F# B F# C#x9** twice bfore the lyrics then they come in.

Took a ride, When the sun comes round
Good lord, bless me well the day I put my plow to ground.

And today, when the sun retires,
and then I see your face, lit now by candle lights

Chorus:**G#m B F# C#x3**
G#m G#m C# C# the leads to verse chords.

All i see is just this sunny weather
All i need is the one i love
So lord please bless me with some time together
And I won t ask anymore after all

Verse2:same order and everything as verse 1

so i ve been around the bend, past clarkville station there
down by the river ends

her tales from far away, that s where the stars abide
Down where the angels lay

the **D#m C#m** are half counts. the rest are whole.

Bridge:**F# C# D#m C#** BBx2
After all after all after
It is said and done
After all After all After all
has come and gone

Please rate. and tell me what i need to improve or what i do well.
