[Verse 2]

How do we end up like this
Living lives that we don't care about
Too busy fixing things on computer screens while the grass grows green
I'm screaming out

[Pre-Chorus]

There was a day that I was free
Not a care that I could see
So good I could barely believe it was happening
Oh take me back again

[Chorus]

Oh I was sixteen with an open heart
Windows down in a beat up car
When I was dumb and the world was young
And she was beautiful
She was beautiful
She was beautiful
She was beautiful
She was beautiful yeah yeah yeah

[Interlude]

C G Am F

[Pre-Chorus]

But there was a day when I was free
Not a care that I could see

So good I could barely believe it was happening

Oh take me back again

When I was dumb and the world was young
And the world was young
She was beautiful

It was you

And you were beautiful yeah

When I was sixteen with an open heart
Windows down in a beat up car
When I was dumb and the world was young
