Verse:

G D/F# Em C - D

One more skyline that ive seen for the first time, so far from home

G D/F# Em

C - D

Right where Im supposed to be, though youre not next to me, I hope it wont be too long

Chorus:

Am D G C - Em

Late night streetwalker, roaming the road at a quarter to four

Am D G C - Em

Early morning riser, making his way to the corner store

Am

D

Oh this reminds me, the suns gonna rise over you and me

One more microphone, a hotel overload, a phone call from the floor

Oh these memories, they taste so bittersweet when theyre made alone

Late night streetwalker, roaming the road at a quarter to four

Early morning riser, making his way to the corner store

Oh this reminds me, the suns gonna rise over you and me

(Aaaaahrise over me)

This late night streetwalkers roaming the road at a quarter to four

This early morning risers making his way to the corner store

Oh this reminds me, the suns gonna rise over you and me

(The) suns gonna rise over you and me
