**F** **Bb** **F** **F**  
I, I thought I was fine  
**F** **Bb** **Dm-C/F#-Bb**  
Until you walked by,  
**F**  
I thought I was fine  
**F** **Bb** **F**  
You, that is quite a word.  
**F** **Bb** **Dm-C/F#-Bb**  
Cause you are not just some girl  
**F**  
You is quite a word.

**F** **C/F#** **Dm** **Bb**  
Oh-oo falling in love is something  
**F** **C/F#** **Dm** **Bb**  
Oo-oo-oo falling in love is nothing.

**F** **Bb** **F**  
We, we were young and dumb  
**F** **Bb** **Dm-C/F#-Bb**  
We were just both in love  
**F**  
We were young and dumb  
**F** **Bb** **F**  
But there s no, no place I d rather be  
**F** **Bb** **Dm-C/F#-Bb**  
Than with you next to me.  
**F**  
It s where I wanna be

**F** **C/F#** **Dm** **Bb**  
Oh-oo falling in love is something  
**F** **C/F#** **Dm** **Bb**  
Oo-oo-oo falling in love is nothing.
