Falling in Love

F# **B** **F#** **F#**
I, I thought I was fine
F# **B** **Ebm-C#/F#-B**
Until you walked by,
F#
I thought I was fine
F# **B** **F#**
You, that is quite a word.
F# **B** **Ebm-C#/F#-B**
Cause you are not just some girl
F#
You is quite a word.

F# **C#/F#** **Ebm** **B**
Oh-oo falling in love is something
F# **C#/F#** **Ebm** **B**
Oo-oo-oo falling in love is nothing.

F# **B** **F#**
We, we were young and dumb
F# **B** **Ebm-C#/F#-B**
We were just both in love
F#
We were young and dumb
F# **B** **F#**
But there s no, no place I d rather be
F# **B** **Ebm-C#/F#-B**
Than with you next to me.
F#
It s where I wanna be

F# **C#/F#** **Ebm** **B**
Oh-oo falling in love is something
F# **C#/F#** **Ebm** **B**
Oo-oo-oo falling in love is nothing.
