```
A          D          A          A
I, I thought I was fine
A   D                F#m-E/F#-D
Until you walked by,
                        A
I thought I was fine
A          D          A
You, that is quite a word.
A          D                  F#m-E/F#-D
Cause you are not just some girl
                  A
You is quite a word.
```

```
A   E/F# F#m         D
Oh-oo falling in love is something
A   E/F# F#m           D
Oo-oo-ooh falling in love is nothing.
```

```
A          D          A
We, we were young and dumb
A          D          F#m-E/F#-D
We were just both in love
                      A
We were young and dumb
A                    D          A
But there s no, no place I d rather be
A          D          F#m-E/F#-D
Than with you next to me.
                    A
It s where I wanna be
```

```
A   E/F#  F#m         D
Oh-oo falling in love is something
A   E/F#  F#m             D
Oo-oo-ooh falling in love is nothing.
