

Follow You

Follow You
Ben Rector

I threw in another G chord that sounds better when the base comes in. It adds that heavier tone to the mix and I labeled it as G*. Technically you could stay on the original G chord, but I like to add in a more rounder sound.

Chords used:

G	G*	Em	C
10	3	7	8
10	5	7	10
12	5	9	10
12	4	9	9
12	3	8	8
10	3	7	8
