

**Follow You**  
**Ben Rector**

Follow You  
Ben Rector

I threw in another G chord that sounds better when the base comes in. It adds that heavier tone to the mix and I labeled it as G\*. Technically you could stay on the original G chord, but I like to add in a more rounder sound.

Chords used:

<b>F#</b>	<b>F#*</b>	<b>Ebm</b>	<b>B</b>
10	3	7	8
10	5	7	10
12	5	9	10
12	4	9	9
12	3	8	8
10	3	7	8

[Intro]

**F#**

[Verse 1]

**F#**

Go on lay your troubles down,

**F#\***

Set your feet on solid ground,

**Ebm**

Peace deep as I have found,

**B**

**F#\***

I wanna follow you,

**F#**

Come on all you weak and weary,

**F#\***

Come round now if you can hear me,

**Ebm**

Poor, sick, and God-fearing,

**B**

**F#\***

I wanna follow you,

**B**

**F#\***

I said, I wanna follow you,

[Chorus]

**F#**

Leave all your troubles,

**F#\***

Leave all your sorrow,

**Ebm**

Set down your burden,

**B** **F#\***

Come on and follow,

**F#**

Come on heavy laden,

**F#\***

Don't wait for tomorrow,

**Ebm**

Come on my brother,

**B** **F#\***

Come on and follow,

[Verse 2]

**F#**

Go on leave your worries too,

**F#\***

Not a bit of good they do,

**Ebm**

There's a word that's coming through,

**B** **F#\***

Go on leave your worry too,

**F#**

So I call your name in the middle of the night,

**F#\***

I want to know can you hear my cries,

**Ebm**

June heat and moonlight,

**B** **F#\***

I wanna follow you,

**B** **F#\***

I said, I wanna follow you,

[Chorus]

[Bridge]

(**E B F#**, repeat)

Oh yeah,

Set your burdens down,

Set your burdens down,

Set your burdens down, Yeah

CHORUS x2
