[Verse 1]

B **F#**
I saw a photograph from ten years back
E
It s you and I, we re standin in the rain
B **F#**
Somewhere outside Atlanta, and I think my twelve-seat van
E
Is right there out of frame

[Pre-Chorus]

B
This was before I knew my way around Los Angeles
F# **E**
Before I ever cared about nice neighborhoods
Bmaj7 **F#**

E
And thinkin that we had it good

B **C#m7**
We were kids back then, thinkin we could live forever

We were kids back then (you and me)
B **C#m7**
We were wild and free, takin on the world together

We were kids back then
N.C.
That s how we re always gonna be
