Ben Rector

[Intro]

E B | E E7/G# A | E/B B | A E/G# F#m7 E |

[Verse 1]

E B  
Making money, it isn't easy  
E E7/G# A  
And it sure won't make you happy  
E  
So I think it's funny  
B A E/G# F#m7 E  
We're so concerned with making money

[Verse 2]

E B  
And money won't keep folks from grieving  
E E7/G# A  
And it won't stop love from leaving  
E/B  
So here's my two cents  
B A E/G# F#m7 E  
What's the use in making money

[Chorus]

A B C#m7  
And I know that life ain't cheap  
A B E  
And not all good things are free  
A B B#dim C#m7  
But there is no enough and no too much  
F#7/A# F#7  
And it seems so strange to me  
E/B  
I just think it's funny  
B A E/G# F#m7 E  
We're so concerned with making money

[Verse 3]

E B  
I make my living singing love songs  
E E7/G# A  
That I made up cause I love songs  
E/B  
But folks believe em

So I m receivin paper money

[Verse 4]

Don t get me wrong, I love my lady

And I prob ly wouldn t trade her

But life s no better

With debts or debtors making money

[Chorus]

And I know that life ain t cheap

And not all good things are free

But there is no enough and no too much

And it seems so strange to me

I just think it s funny

We re so concerned with making money

[Instrumental]

Same as Intro down an octave.

[Verse 5]

Everybody s got their reasons

Finer wines or fairer seasons

If we re truthful

We know we re fools for making money
