

Peace

Ben Rector

[Verse 1]

I used to want people to love me, so I learned how to sing
Then I thought I wanted money, so I could buy nice things
But when I found it was as empty as could be
And now I'm starin' at my face above a bathroom sink

[Chorus 1]

Sayin' I want peace, it's where I am now
It's the only thing I haven't found, somehow
There are other places, there are a million pretty faces
But I want peace, it's where I am now

[Verse 2]

I used to worry about the future, but the future never came
Tried livin' in the past, but never did quite feel the same
I used to think that there was a place I would rather be
Til I got there enough times to realize that you are only ever here

[Chorus 2]

That's when I found peace with where I am now
It's the only place I'll ever be, I've found
There are other places, filled with a million pretty faces
But I found peace with where I am now

[Bridge]

A

Through the ups and downs

And I wasted so much time

F#m **C#m** **B** **A**

C#m **B** **A**

That would bring me peace

So I found peace with who I am now

E **E/D#** **C#m** **A** **E**

It's the only me I'll ever be, I've found

E **E/D#** **C#m** **A** **F#m**

There are other places, there are a million other faces

E **E/D#** **C#m** **A** **E**

But I found peace with who I am now
