[Verse]

I feel just like a sailboat
I don t know where I m headed
But you can t make the wind blow
From a sailboat

I have seen the sun
Felt the rain on my skin
I ve been lost and found
But mostly I ve been waiting

[Chorus]

Oh I m out in the waves
I m hoping and praying
Please let this wind blow me home
Night after night there s and empty horizon
And my God do I feel so alone
Sontimes life, most times I, feel just like a sailboat
