From a sailboat

I have seen the sun

[Verse]

I m pretty sure I m heard
At least I know I m speaking
But I feel like a fool
Cause I can t hear you listening

But I m not giving up
I m gonna move on forward
I m gonna raise my sail
God knows what I m headed towards

[Chorus]

Oh I m out in the waves
I m hoping and praying
Please let this wind blow me home
Night after night there s and empty horizon
And my God do I feel so alone
Sontimes life, most times I, feel just like a sailboat
