**C# G#**  
I feel just like a sailboat

I don t know where I m headed  
**C# G#**  
But you can t make the wind blow  
**Eb G#**  
From a sailboat

**C# G#**  
I have seen the sun  
**Fm Eb**  
Felt the rain on my skin  
**C# G#**  
I ve been lost and found  
**Eb G#**  
But mostly I ve been waiting

[Chorus]

**C#**  
Oh I m out in the waves  
**G#**  
I m hoping and praying  
**Fm Eb**  
Please let this wind blow me home  
**C# G#**  
Night after night there s and empty horizon  
**Fm Eb**  
And my God do I feel so alone

[Verse]

**C# G#**  
I m pretty sure I m heard  
**Fm Eb**  
At least I know I m speaking  
**C# G#**  
But I feel like a fool  
**Eb G#**  
Cause I can t hear you listening

**C# G#**  
But I m not giving up  
**Fm Eb**  
I m gonna move on forward  
**C# G#**  
I m gonna raise my sail  
**Eb G#**  
God knows what I m headed towards

[Chorus]

**C#**  
Oh I m out in the waves  
**G#**  
I m hoping and praying  
**Fm Eb**  
Please let this wind blow me home  
**C# G#**  
Night after night there s and empty horizon  
**Fm Eb**  
And my God do I feel so alone  
**C# C# Eb**  
Sontimes life, most times I, feel just like a sailboat  
**C# G# Fm Eb**

[Bridge]

**C# G#**  
The only change I see  
**Eb G#**  
Lost or found at sea  
**C# G# Eb G#**  
The only difference is believing I ll make it end

[Chorus]

**C#**  
Oh I m out in the waves

**G#**

I m hoping and praying

**Fm** **Eb**

Please let this wind blow me home

**C#** **G#**

Night after night there s and empty horizon

**Fm** **Eb**

And my God do I feel so alone

**C#**

Oh I m out in the waves

**G#**

I m hoping and praying

**Fm** **Eb**

Please let this wind blow me home

**C#** **G#**

Night after night there s and empty horizon

**Fm** **Eb**
