From a sailboat

Felt the rain on my skin

I ve been lost and found  
**F# B**  
But mostly I ve been waiting

**E**  
Oh I m out in the waves

But I feel like a fool  
**F#** **B**  
Cause I can t hear you listening

**E** **B**  
But I m not giving up  
**G#m** **F#**  
I m gonna move on forward  
**E** **B**  
I m gonna raise my sail  
**F#** **B**  
God knows what I m headed towards

[Chorus]

**E**  
Oh I m out in the waves  
**B**  
I m hoping and praying  
**G#m** **F#**  
Please let this wind blow me home

Night after night there s and empty horizon
