

## When A Heart Breaks Ben Rector

This is obviously not what he plays on the piano, and is probably in a different key, but it's the basics. Repeat the same pattern for Verse 2 and Chorus 2.

[Verse 1]

**G** **C**  
Woke up this morning  
**C** **G**  
And I heard the news  
**G** **D** **C** **G**  
I know the pain of a heartbreak  
**G** **C**  
I don't have answers  
**C** **Em**  
And neither do you  
**D** **C** **G**  
I know the pain of a heartbreak

[Chorus]

**C** **G**  
This isn't easy  
**Em** **D**  
This isn't clear  
**C** **G**  
And you don't need Jesus  
**Em** **D**  
Til you're here  
**C** **G**  
Then confusion and the doubts you had  
**Em** **D**  
Up and walk away  
**C** **G** **Em**  
They walk away  
**D** **C** **G** **Em** **D**  
When a heart breaks

[Verse 2]

I heard the doctor  
But what did he say  
I knew I was fine about this time yesterday  
I don't need answers  
I just need some peace  
I just need someone who could help me get some sleep

Who could help me get some sleep

[Chorus]

This isnâ€™t easy  
This isnâ€™t clear  
And you donâ€™t need Jesus  
Til youâ€™re here  
Then confusion and the doubts you had  
Up and walk away  
They walk away  
When a heart breaks

This isnâ€™t easy  
This isnâ€™t clear  
And you donâ€™t need Jesus  
Til youâ€™re here  
Then confusion and the doubts you had  
Up and walk away  
They walk away  
When a heart breaks
