I Try
Ben Taylor
Tuned a half-step down. Beautiful song, enjoy!
Games, changes, and fears
                Am
Where will they go from here? When will they stop?
Now I believe that fate has brought us here
                       Am7
And we should be together girl, but we re not.
                       Bm7
I play it off but I m dreaming of you
I keep my cool but I m feeling
I try to say goodbye and I choke
             Dsus
I try to walk away and I stumble
               Am7
Though I try to hide it, it s clear
My world crumbles when you are not near
Goodbye and I choke
           Dsus
Try to walk away and I stumble
               Am7
Though I try to hide it, it s clear
My world crumbles when you are not near
I may seem like I m free
                 Am
But I m just a prisoner, of your love
I may seem all right, I smile when you need
                          Am7
But my smile s are just a front, just a front
                        Bm7
I play it off but I m dreaming of you
I keep my cool but I m feeling
```
