**Bb**

Hey guy - you re the one for me

**C**

Your face - the sweetest thing I ve ever seen

**F**

Stop by - dedicate to me

**Dm**

Your time - your time

**Bb**

At night - it really gets to me

**C**

I find nobody is here with me

**F**

Stop by - say you ll stay with me

**Dm**

You re the one I really miss

**Bb**

Every single day - single hour

**C**

I can see your face - single day

**F**

Every single day - single hour

**Dm**

I can see your face - single day

**Bb**

Every single day - single hour

**C**

I can see your face - single day

**F**

Every single day - single hour

**Dm**

I can see your face - single day

**Bb**

Hey guy - you re the one for me

**C**

Those eyes - the loveliest I ve ever seen

**F**

Stop by - Just to say to me

**Dm**

You re mine - you re mine

**Bb**

This time lay some love on me

**C**

I m blind - to anything surrounding me

**F**

so fine when you re next to me

**Dm**

You re the one I can t resist

**Bb**

Every single day - single hour

**C**

I can see your face - single day

**F**

Every single day - single hour

**Dm**

I can see your face - single day

**Bb**

Every single day - single hour

**C**

I can see your face - single day

**F**

Every single day - single hour

**Dm**

I can see your face - single day
