

Song Of Love  
Benisa Sanchez

sjluciana

**G** **D** **Em**  
Lord there is none like you  
**C** **G** **D**  
Who can compare to your splendour  
**C** **G**  
You came as a friend  
**D** **Em**  
For someone like me  
**C** **G** **D**  
How wonderful, how marvelous is your love

Chorus:

**G** **D** **Em**  
You are God enthroned in majesty  
**C** **G**  
I stand in awe of your glory  
**Am** **D**  
That is filling this place  
**G** **D** **Em**  
Now I stand transparent before you  
**C** **G**  
With nothing to bring  
**Am** **D** **G**  
But my heart and my song of love

Bridge:

**Em** **D** **G** **Em**  
You are my portion my strength when in need  
**C** **D**  
Jesus my joy, my reward  
**C** **D** **G** **Em**  
I bow my knees with lifted hands I sing  
**C** **Am** **D**  
Lord I love you with all my heart

Coda:

**Am**  
Lord I give you my heart  
**D** **G**  
And my song of love
