You felt, this feeling, tell me, don t be ashamed

Fm

You felt it before - Before

Cm

And so don t tell me

Bb G7

Don t tell me otherwise

Cm

I almost forgot, foolish me

Fm

I almost forgot - Forgot

Cm

That where I m from you see the rain

Bb

Before the rain even starts to rain

Bridge:

G **Ab**
No one know why the road seem so long

G **Ab**
Cause I had done it all before

Bb
And I won

Verse:

Cm
Before I was born there was a storm, before that storm there was fire

Fm
Burning everywhere - everywhere

Cm
And everything

Bb **G7**
became nothing again

Cm
Then out of nothing, out of absolutely nothing

Fm
I, Benjamin, I was born - mmmm

Cm
So that when I become someone one day

Bb
I would always remember that I came from nothing

Bridge:

G **Ab**
No wonder why you keep bugging me

G **Ab**
Cause this walk It s a previous journey

G **Ab**
And no wonder why the road seem so long

G **Ab**
Cause I had done it all before

Bb
And I won

Ending:

Eb
I m sending my condolence

Ab
I m sending my condolence to fear
I m sending my condolence

Eb
I m sending my condolence to insecurities
You should know by now

Ab
You should know by now that I just don t care
For what you might say

Eb
Might bring someone down here

I m sending my condolence

Ab

I m sending my condolence to fear

(Fade out)
