

**A Hard One To Know**  
**Benjamin Gibbard**

My favorite song from Ben Gibbard's Former Lives album, and my first UG submission! Real easy and fun to play. Eeenjoy!

**A**  
You call a truce and then you start a fight,  
**A**  
you change your signals like a traffic light  
**Bm** **A**  
cause you're a hard, a hard one to know.

**A**  
Around your heart you've tied a fishing line,  
**A**  
You cast it out there just to see who'll bite  
**Bm** **A**  
cause you're a hard, a hard one to know.

**E** **Bm**  
I toss and turn but I just can't get to sleep  
**D** **A**  
when I start thinkin' bout what you do to me.  
**E** **Bm**  
You're like a flower garden buried in snow,  
**E** **A**  
you're a hard one to know.

**A**  
You give your love out like an auctioneer.  
**A**  
Your moves are jumpy and your words aren't clear  
**Bm** **A**  
cause you're a hard, a hard one to know.

**A**  
First you smother then you disengage  
**A**  
Your tears of joy dissolve to tears of rage  
**Bm** **A**  
cause you're a hard, a hard one to know.

**E** **Bm**  
I toss and turn but I just can't get to sleep
