```
C#   Bbm  C#   Bbm  C#   Bbm  C#   Bbm
woo hoo doo woo woo hoo ooo

C#           Bbm           F#         C#
It s always summer in this Southern state
         F#          C#   F#          Bbm (x2)
Where I m behind the moon floating in space
C#           Bbm           F#              C#
But I m not in hiding, just trying not to be found
         F#          C#      F#        Bbm (x2)
So when I hear my name I never turn around

C#   Bbm  C#   Bbm  C#   Bbm  C#   Bbm
woo hoo doo woo woo hoo ooo

C#           Bbm           F#             C#
Here in the valley they live in their cars
        F#        C#           F#         Bbm (x2)
As they dream of fields, under oceans of stars
      C#         Bbm      F#          C#
And I m disappearing into that grid
           F#              C#   F#        Bbm (x2)
Where I ll live out in the open, perfectly hid

C#   Bbm  C#   Bbm  C#   Bbm  C#   Bbm
woo hoo doo woo woo hoo ooo

C#           Bbm         F#             C#
It s always summer in this Southern state
           F#          C#       F#       Bbm (x2)
And it s a comfortable life, in a beautiful place
     C#          Bbm       F#          C#
But something s ratting, somewhere inside
        F#                 C#           F#          Bbm (x2)
And it sounds like it s broken, but in a place I can t find

       C#          Bbm           F# (x2)
And it only gets louder with time

C#   Bbm  C#   Bbm  C#   Bbm  C#   Bbm
woo hoo doo woo woo hoo ooo

Continue above until satisfied. :)
