Willamine

Words and music by Jay Farrar and Benjamin Gibbard from the album "One Fast Move Or Iâ€™m Gone".

[Bm] Iâ€™m only interested in the sad [A] music
Of the [E] voice of Willamine
[Bm] She makes men [A] sigh and women [E] wonder
[Bm] Where is all the [A] beauty coming from " and [E] why
[Bm] Nobody ever [A] dares to write
The true [E] story of love
[Bm] Hiding under [A] buried junkyards
Throughout the [E] world
[Bm] With her sad abstract [A] letters
She talks with a [E] broken heart

[A] Weâ€™re going to get married and [D] fly away Dsus2-Dsus4-Dsus2
[A] Roam the Genghis Khan clouds
Anybody whoâ€™s never [G] done this is crazy [E]

Nobody ever dares to write
The true story of love
The secret underground truth " of desire
Never mentioned in newspapers
The mat of night admits the groaning godlike love
Ooh Ooh

[A] Weâ€™re going to get married and [D] fly away Dsus2-Dsus4-Dsus2
[A] Roam the Genghis Khan clouds some [G] day
[A] Weâ€™re going to get married and [D] fly away Dsus2-Dsus4-Dsus2
Anybody whoâ€™s never [G] done this is crazy [E]
