Jolly Old Saint Nicholas chords  
Benjamin Russell Hanby

**C**                   **G7**                   **Am**                   **Em**  
Jolly old St. Nicholas, Lean your ear this way!  
**F**                   **C**                   **G**                   **G7**  
Don t you tell a single soul, what I m going to say  
**C**                   **G7**                   **Am**                   **Em**  
Christmas Eve is coming soon; now, you dear old man,  
**F**                   **C**                   **G7**                   **C**  
Whisper what you ll bring to me, tell me if you can.

**C**                   **G7**                   **Am**                   **Em**  
When the clock is striking twelve, when I m fast asleep,  
**F**                   **C**                   **G**                   **G7**  
Down the chimney broad and black, with your pack you ll creep  
**C**                   **G7**                   **Am**                   **Em**  
All the stockings you will find, hanging in a row;  
**F**                   **C**                   **G7**                   **C**  
Mine will be the shortest one, you ll be sure to know.

**C**                   **G7**                   **Am**                   **Em**  
Johnny wants a pair of skates, Suzy wants a dolly;  
**F**                   **C**                   **G**                   **G7**  
Nellie wants a story book; she thinks dolls are folly  
**C**                   **G7**                   **Am**                   **Em**  
As for me, my little brain isn t very bright;  
**F**                   **C**                   **G7**                   **C**  
Choose for me, old Santa Claus, what you think is right.
