

All You Got To Do Is Fall In Love
Benji Hughes

Verse 2 is the same as verse 1!

[Verse 1]

C **Am**
Wouldn't it be sweet
F/A **G (or G7)**
If you could be in love with me
C **Am**
The way that I'm in love with you
F/A **G**
It's so easy to do

[Chorus]

F **G**
All you've got to do is fall in love
C **Am**
All you've got to do is fall in love
F **G7** **C**
All you've got to do is fall in love with me (x2)

[Verse 2]

And everyday you don't, it's wasted
And every night alone, it's your fault
The sweetest lips I've ever tasted
The only lips I'll ever want

All you've got to do is fall in love
All you've got to do is fall in love
All you've got to do is fall in love with me (x2)
