Verse 1 :

C
If there s a little man that lives in your heart
Em
with a bow and really tiny darts
C
When he shoots you, you will fall in love
Em
Why? It s not for you to know
Am7
cause you never had a microscope
Em
One that could see so small
Am7
And if most scientists believe
G
That s why human love was made

Chorus :

Fmaj7
Do you think they d really tell you at all?
Gadd13
Do you think they d really tell you at all?
Fmaj7
Do you think they d really tell you at all?
Gadd13
Do you think they d really tell you at all?

C

Verse 2 :

If a little woman lives in your brain
Singing to you all the time
Singing all your favorite songs
Singing how she s glad that you re mine
There s no way you could ever know
That she wants to meet the man in your heart
She s over all the ones in your feet,
that are keeping you from walking to me

Repeat Chorus
