

Can You See Me Now
Benni Cinkle

Em C
If I had one wish,
A G D
I would fly up and be a star,
Em C
I would look down on you,
Em A
Like you looked down on me,
Em G
And mend your heart,
Em C Em C
So look at me now as I stand up and shout,
D
No Iâ€™m not gonna disappear,
Em C Em C
I am one of a kind, I have made up my mind,
G A
Can you see me standing here?

G Em
Can you see me now,
G Em
Can you feel the crowd,
A
Can you see the light breaking through, **G**
A D
Can you hear my voice,
A D
Can you feel my pain,
A C
Every time you regard me with shame,
G Em
You are here right now,
G Em
Dance with me right now,
A D
Dance with me, with me,
G Em
Oh oh oh oh oh,
G Em A
Oh oh oh oh oh, oh oh oh,

Em C
Weâ€™re all trapped sometimes,
A G D

In some kind of crazy shell,

Em C

But you never will know,

Em A

Where the river will flow,

Em G

To bring you help,

Em C

So don't be afraid,

Em C

Put your troubles away,

D

No I'm not gonna disappear,

Em C

No you cannot stop me,

Em C

I was born to be free,

G A

Can you see me standing here?

G Em

Can you see me now,

G Em

Can you feel the crowd,

A

Can you see the light breaking through, **G**

A D

Can you hear my voice,

A D

Can you feel my pain,

A C

Every time you regard me with shame,

G Em

You are here right now,

G Em

Dance with me right now,

A D

Dance with me, with me,

G Em

Oh oh oh oh oh,

G Em A

Oh oh oh oh oh, oh oh oh,

Em C

Stand up and shout,

D

Dance with me now,

Em C

Stand up and shout (stand up now),

D

Dance with me now,

Em C

Come on and stand up and shout (stand up now),

D

Dance with me now (dance with me),

Em C

Stand up and shout,

D

Dance with me now,

G Em

Can you see me now,

G Em

Can you feel the crowd,

A

Can you see the light breaking through, G

A D

Can you hear my voice,

A D

Can you feel my pain,

A C

Every time you regard me with shame,

G Em

You are here right now,

G Em

Dance with me right now,

A D

Dance with me, with me,

G Em

Oh oh oh oh oh,

G Em A

Oh oh oh oh oh, oh oh oh,

G Em

Oh oh oh oh oh,

G Em A

Oh oh oh oh oh, oh oh oh.
