She s... just... sixteen years old

Leave her alone

They say

Sepa... rated by fools

Who don t know what love
Is yet

But I want you to know

If I could fly

I d pick you up I d take you

Into the night

And show you a love like you ve

Ne... ver seen, e... ver seen

/ Dm Am / (3x) Gm

It s like... having a dream

Where nobody has

A heart

It s like... having it all

And watching it fall

A#7M

A... part

And I-I-I-I... would wait till the end
Of time for you
A-a-and... do it again
It s tru-u-ue
I can t... measure my love
There s nothing to com... pare it
To... ooo-ooo

But I want you to know

If I could fly
I d pick you up I d take you
Into the night
And show you a lo... ove

If I could fly
I d pick you up I d take you
Into the night
And show you a love like you ve
Ne... ver seen, e... ver seen

If I could fly...she wants)
