You smiled then you never left

Now we re apart  
      **Dbmaj7**  
And there s a lot of things  
      **Eb7**  
I can t admit to you

Oh is it so hard to just fall in love  
      **Fm7**                                    **Cm7**  
And fly over moonlight s head  
          **Bbm7**  
Let s make a start  
      **Dbmaj7**  
And forget about  
      **Eb7**  
The things I did to you

**Bbm7**                    **Abmaj7**  
All we do for love  
          **Bbm7**                                    **Abmaj7**  
Is it worth it, can we prove its existence  
**Bbm7**                    **Abmaj7**  
All we do for love  
          **Bbm7**                                    **Abmaj7**  
Can we do it right, like lovers do

**Bbm7**                    **Abmaj7**  
All we do for love  
          **Bbm7**                                    **Abmaj7**  
Is it worth it, can we prove its existence  
**Bbm7**                    **Abmaj7**  
All we do for love  
          **Bbm7**                                    **Abmaj7**  
Can we do it right, like lovers do
