I Only See You by Benton Paul
Capo 1

C **G** **C** **G**
In a crowded place, I see just your face
C **G** **A** **F**
And it looks so familiar
C **G** **C** **G**
I can't get to you, though I'm trying to
C **G** **A** **F**
There are just too many barriers

C **G** **Am** **F**
But I only see you, in all that I do
C **G**
To the rest I am blind
C **G** **Am** **F**
I don't want something new, other than you,
G
For the rest of my life

C **G**
People talking loud, I can't hear the crowd
C **G** **A** **F**
You are so much more appealing
C **G** **C** **G**
I'll be honest girl, you've become my world
C **G** **A** **F**
And I'll spend my life wondering

C **G** **Am** **F**
Cause I only see you, in all that I do
C **G**
To the rest I am blind
C **G** **Am** **F**
I don't want something new, other than you,
G
For the rest of my life

Am **C** **F**
Promise I'll always be there for you
G

If you give me the chance

Am **C** **F** **G**

Promise I'll never be less than true

C G **Am** **F**

Cause I only see you, in all that I do

C **G**

To the rest I am blind

C **G** **Am** **F**

I don't want something new, other than you,

G **C**

For the rest of my life
