Everywhere I look today  
**G Asus4**  
Things fade away  
**Bm D G Asus4**  
Nothing ever seems to last  
**Bm D**  
But when I turn to the sky  
**G Asus4**  
In your eyes  
**Bm D G Asus4**  
I see my future and past

**D G Asus4 D D G Asus4 D**  
Moon, will you keep falling onto my side

**Bm D**  
Though you re many miles away  
**G Asus4**  
That s okay  
**Bm D G Asus4**  
You always do come back around  
**Bm D [stop]**  
If gravity didn t control me  
**G Asus4 Bm D G Asus**  
I d jump off the ground...into space

**D G Asus4 D D G Asus4 D**  
Moon, will you keep falling onto my side  
**D G Asus4 D D G Asus4 D**  
Moon, I m okay knowing that you ll stay the night

**Asus2 Bsus2 C#sus2 Esus2**  
Up in the sky two stars align  
**Asus2 Bsus2 C#sus2 Esus2**  
Up in the sky two stars align tonight  
**Asus2 Bsus2 C#sus2 Esus2 Dsus2**  
Up in the sky two stars align

**D D G Asus4 D**

Will you keep falling to my side?

**D G Asus4 D D G Asus4 D**

Moon, I m okay knowing that you ll stay the night

**D G Asus4 D**

Will you be my light on the darkest night?
