C **Dm**
As if any time, he could create a scene.
C **F**
So, gently I pushed her away,
G **F** **C** **C7**
Ooh, ooh, he wants to spoil the play.
F **C** **C7**
He s standing in my way, hey, yeah,
F **C** **C7**
He s standing in my way, yeah.
F **C**
Woo-ooh, ooh.

Interlude:

C **F** (x2)

Verse 3:

C **F**
Now I understand how he feels,
C **F**
But I wish he d give me a little room.
C **F**
I know he s got himself a raw deal,
C **F**
But I d like to leave with this lady, soon.

Chorus 3:

C **Dm**
I didn t mean to be so unkind,
C **Dm**
I had move into the one, who was looking fine.
C **Dm**
Big Spender, he was; had to have his own way,
C **F**
I thought he d leave, but he stayed,
G **F** **C** **C7**
Oh, ooh, still standing in my way...
F **C** **C7**
Standing in my way yeah, yeah,
F **C**
Standing in my way, hey.
