Two Small Birds

Capo 4th

D	A7sus4	D	A7sus4		
Two small birds in a cage					
D	A7sus4	D	A7sus4		
One feels trapped					
D	A7sus4	D	A7sus4		
One feels safe					
	G			A	
One is happy just to be warm & dry					
G			A		D
One is crying out to spread her wings & fly					
D	A7sus4	D	A7sus4		
Two small birds side by side					
D	A7sus4	D	A7sus4		
Heard about another world outside					
	G			A	
One s content to never know					
G		A			D
One can t bear the mystery anymore					
D	A7sus4	D	A7sus4		
Two small birds fell in love					
D	A7sus4	D	A7sus4		
A long a time ago it was enough					
	G			A	
Now one is dying from despair					
G		A			D
One sits on his perch and doesn t care					
D	A7sus4	D	A7sus4		
	G				
One is pleading with the other					
A					
She knows there must be more					
	G				

And if they worked on it together

A

They could pry open the door

G

But he sits there like a statue

A

Leaving well enough alone

G

He can't see past the bars

A

And the safety of his home

A7sus4

The silence in the cage is dark and cold

G

They used to sing and swing back & forth

A

G

A

D

But there isn't much to sing about anymore
