

**Take My Breath Away**  
**Berlin**

Songtitle: Take My Breath Away

Artist: Berlin

Tabbed by: Marko Borosic

E-mail : mborosic@web.de

Guitar tuned 1/2 step down

The intro is actually a bassguitar, but I transcribed it for a usual guitar,  
shouldn't sound too bad, even  
it's not the original version.

Intro:

**G#**

Watching every motion

**Cm** **Fm** **Cm**

In my foolish lover s game

**G#**

On this endless ocean

**Cm** **Fm** **Cm** **G#**

Finally lovers know no shame

**Bbm**

Turning and returning

**G#** **Eb**

To some secret place inside

**G#**

Watching in slow motion

**Cm** **Bbm** **Eb**

As you turn around and say

**Eb** **G#** **Cm** **Bbm** **Eb**

Take my breath away

**G#** **Cm** **Bbm** **Eb**

Take my breath away

Watching I keep waiting

Still anticipating love

Never hesitating

To become the fated ones

Turning and returning

To some secret place to hide

Watching in slow motion

As you turn to me and say

Take my breath away

**Bb** **Eb**

Through the hourglass I saw you

**C#** **G#**

In time you slipped away

**Bb** **Eb**

When the mirror crashed I called you

**C#** **G#**

And turned to hear you say

**Bb**

If only for today

**Eb**

I am unafraid

Take my breath away

Watching every motion  
In this foolish lover s game  
Haunted by the notion  
Somewhere there s a love in flames  
Turning and returning  
To some secret place inside  
Watching in slow motion  
As you turn my way and say

Take my breath away
